

Would you like to join the Thames Vale Singers?.....

As you can see we are a friendly fun loving group aiming to sing a wide range of music (both popular and classical) to a high standard.

Because we maintain a limit to size of the choir we normally operate individual waiting lists for Sopranos, Altos, Tenors and Basses – (but currently we do have spaces for Tenors and Basses). Anyone can join the waiting list and there are no auditions or formal requirements.

When a suitable place becomes available we invite the next person on the waiting list to come and see if they are happy with us and vice versa.

However, we have recognised that some of our music can be too daunting for a new joiner and the best time to join is when we start practising Christmas music from September onwards.

So we are inviting anyone interested to a special open rehearsal on Tuesday 11th September at 8.00pm in Purley Memorial Hall. You can, without any obligation or embarrassment, experience what it is like to sing with us. We hope you will then either continue with us or join the waiting list if we have no immediate spaces. As well as preparing for Christmas we will start on Mozart's Requiem to be performed in early spring 2008. Don't be shy – give it a try.
